Past performance

This chart shows the fund's performance as the percentage loss or gain per year over the last 3 years against its benchmark.

Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future. It can help you to assess how the fund has been managed in the past, and compare it with its benchmark.

The past performance was calculated in USD. In this calculation, all costs and fees with the exception of the entry charge have been deducted.
